Principal's Corner

I hope that you had a great, restful Spring Break.

We appreciate the effort to have all of our students here and on time during our CMAS testing window. We will continue to give the CMAS assessment for all 3rd through 6th graders through the third week of April. Again, please try to avoid scheduling appointments for students during the school day, especially in the mornings. Please try to have students here on time and well rested.

Thanks, Chris Benisch

Flex Testing -

Friday, May 4 & Monday, May 7

Please come in and sign up for a flex testing time for one of these days.

8:00-10:30am OR 12:00-2:30pm

Your student will be here for one time period and have the rest of the two days off.

Pennies for Patients

Students were educated over the course of the campaign about cancer and the treatments that are being discovered to help patients. **As a school, we collected \$269.59 this year!**

This is something that has touched all our lives in one way or another.

Thanks for your participation!

As we come to that last part of our year, there are many things happening. Classes are heading out on more field trips, testing is in full swing, field day is coming up, as well as an End of the Year Festival put on by PTA.

Race to Read is a great program to encourage your child(ren) to read more and earn great incentives. We would love to have all students participate and see how many hours we can read as a school. For those that complete 3 sheets, they will receive a ticket for The Night of Thunder & Fire at Bandimere Speedway on May 19th, along with a ticket for a guardian.

As baseball season begins, the Colorado Rockies give us an opportunity to purchase \$5 tickets. Forms will come home next week for games on Saturday, May 12th and Friday, June 8th. Take advantage of this fun, affordable opportunity for a family outing!
