Principal's Corner

Dear Lawrence Families,

As we wrap up the 2017-2018 school year, I'd like to personally thank all of you for the partnerships and support in making Lawrence an incredible school. During our Principal Coffee and Building Accountability Committee meetings, we have had some great conversations reflecting on both our successes and challenges as a school community. These discussions help steer our next steps and make us aware of what needs to be tweaked, changed, and/or continued. We certainly appreciate hearing your perceptions about our school.

If you would like to discuss your child's success and/or challenges at school, please know that my door is always open. Sometimes it helps to have a face to face meeting or phone conversation to address concerns, hear ideas, and certainly to celebrate the things that are working well. If you desire a time to meet, please call the office and we should be able to schedule a meeting time promptly. Please feel free to leave a message highlighting why you are calling at (303) 982-1821. We love the insight and will continue to use this information to make needed changes to our procedures and practices.

Have a great week!
Chris
