PRINCIPAL'S CORNER

Dear Parents/Guardians,

We have lots of fun events coming up! Community Table will be hosting the Empty Bowls event and fundraiser on December 7th beginning at 5:00 pm at Arvada High School. If you would like to make a bowl to be sold at the fundraiser, please join us on November 5th and November 27th from 2:45-3:45 pm in the art room. Katie Orpet, our art teacher, will be teaching parents and kids how to make their bowls.

International Night will be held on November 15th from 5:00 to 7:00 pm. This is a great way to see some of the many cultures represented within and around our Lawrence community. We will have lots of delicious foods and fun activities from around the world.

We hope you can join us for these fun events!

Chris

Cafe News

Students are practicing entering their ID numbers to purchase their lunch. They are doing well and things are going smoothly in the cafeteria.

Make sure to follow Lawrence Elementary on **Facebook** and **Twitter!**

Also, check out the Lawrence Elementary website regularly.

Family School Partnership Survey: 11/26 - 12/4

FSP survey is important to fill out and return. This information is used to continuously improve our school. Beginning November 26th through December 4th, there will be a link on the website. We hope you'll take a minute to do the survey at that time.
