Principal's Corner

Dear Families,

We hope everyone had a wonderful break and had some down time to relax and enjoy family and friends. I want to thank our community members for their desire to volunteer at Lawrence. Please know we can always use the support.

If you would like to share concerns, ideas, or celebrations about Lawrence, please feel free to attend either our PTA meetings or Principal's Coffee. During this time, we discuss upcoming events, how things are going and possible ways to improve our school. At future meetings, we will be discussing the 2018-2019 budget, the 6th grade transition plan and how to best support our students that are immediately impacted by these decisions.

Jeffco has a new vision that maps out the direction of our district. This vision is encompassed in what is now called the Jeffco Generations document. Please log on to the Jeffco Website to understand the focus and direction that our district is moving.

Thank you to PTA and our community!

Our school fundraiser was a huge success and we really appreciate any purchases families were able to make to support our school and PTA. Special thanks to our PTA for their planning and carrying out of our fundraiser. In the past, our annual fundraiser has helped support things like school field trips, activities and incentives for our students.

Happy Holidays, Chris Benisch
